

myCAMPapp

QUICK START GUIDE

We are so excited to introduce our mobile app for Grand Prairie Summer Camp.

Login to view camp news, photos, announcements, contact info and more. Everything you need is easily and readily accessible in one single place, right at your fingertips.

5 SIMPLE STEPS

- 1- Download app from App Store or Google Play. Search for **“myCAMPapp”**
- 2- Tap “Create an account”, enter registration code **GP2024**, fill-in your email address & set your password.
- 3- Go back to the Login screen and Sign-in with your email address and password you just created.
- 4- Go to **“My Camp Settings”** on the **“More”** tab to edit and customize your app content and notifications.
- 5- Enjoy!

Check back often
for news, photos & videos!

PERMISSIONS

As you navigate through the app you will be prompted for “permissions” which are standard for both Android and iOS devices. Some of the permission our app may request are:

1. **Push notifications** – this allows you to receive our instant messages. Make sure you accept!
2. **Calendar** – this allows the app to save events and set reminders in your main calendar.
3. **Camera and/or Photos** – this allows you to access your device’s camera to save photos to your gallery.
4. On Android devices only there may be a permission to “**make and manage phone calls**” which allows you to call our camp with one tap from the app.

Please accept all permission requests to get the most out of our app.

We will use **Push Notification** to send friendly reminders and last minute updates.

If you have rejected a permission and later change your mind, simply go to the Settings app on your device – scroll down until you find our app and then just tap on it to view and edit your permission.
