Party Rental FAQ

Questions: Contact EpicRentals@gptx.org

How many people can I have in my party?

There is a max number of child participants per party. All adults do not count against the participant total. Pool, Gym, KidsPlay and Game Room parties are only allowed 30 participants; Private Pool Parties allow 60 participants, and you get both rooms. There are enough tables and chairs for the number of participants.

Can I pay more to add additional people to my party?

The number of participants may not be increased due to room capacities and lifeguard ratios.

How early may I arrive for my party?

You are permitted into the room 15 minutes prior to the party starting and 15 minutes after to clean up unless otherwise stated.

Can I book extra time for my party?

We don't allow extra time added for your parties. For pool parties, if you need extra time, you may potentially book two party time slots that are one after the other and have a longer party that way. Your party would be allowed to stay in the pool/room during the time between the two parties.

Where do we enter for our party?

Parties will come through the main entrance. You may use the traffic circle by Epic Waters to unload.

What is provided in my party?

- **Pool Party** - Party room with six - 5' rectangular tables, up to 30 chairs, refrigerator, microwave, sink and tv; pool area amenities include access to all pools, play structures and 2-story slide (if 48" tall); and locker rooms.
- **KidsPlay Party** - Private access to the indoor and outdoor play structure (weather permitting); sink, and restrooms. Also, a separate celebration room 6 rectangular tables with chairs and a food table.
- **Gym/ Court Party** - Both Courts access and set-up for whatever sport you request (Basketball, Dodgeball, Volleyball, Pickleball, or Badminton). Tables and chairs set-up in the cafe area. The court parties are only allowed for sport or birthday parties.
- **Game Room Party** - Tables (5 square 3'x3' and two 6' rectangular) and sink. Access to all games, furniture and tv's.

Will a staff person run the party?

There are Party Attendants who will assist you to your room and help make sure you have everything you need for your party. They do not run the party or serve food and drink...

Can I bring in food or do you serve food?

We do not provide food options, but you may bring in your own food and drink.

Can I serve alcohol at my party?

No, youth party packages do not permit alcohol in those areas.

May I decorate the room?

Yes, but no tape or tacks on the walls. We also don't allow any glitter, confetti, confetti balloons, bounce houses, pinatas or ball pits. You may use adhesive putty to hang items from the walls. All items must be removed at the end of the party.

What items are not permitted?

We do not allow confetti, glitter, party poppers, ball pits, bounce houses or pinatas. Also, in the pool area we do not allow glass containers, inflatable water wings and inner tubes.

Do adults have to get in the water with their child during pool parties?

For the safety of all children, it is strongly encouraged for parents to get in the water. Children under the age of 6 must have a parent in the water with them. If the parent did not bring a suit, the child will be permitted to swim only if they wear a life jacket at all times while in the pool.

Are lifejackets available for all the children with the pool party?

We do have quite a few lifejackets on hand, but they are first come/first served. It is suggested to bring your own lifejacket as availability is not guaranteed.

Can I receive a refund if I have to cancel the party?

All rental cancellations must be made more than 14 days in advance to receive a full refund. No refunds will be given for inability to use outside areas including the patio. Refunds are not issued on site. Credit cards will be refunded to the original card. Checks and cash will be refunded by check and will take 2 weeks to receive in the mail. Rentals may be transferred to a different date if due to illness or death in the family depending on availability.
